**Somerton Oktoberfest:** All day family activities on Saturday, October 24, 2009. Please check the web page for further information.

**Web Page:** We are trying to make our web page the main means of communication with our members. Please utilize the site.

**Age Policy and Reasoning:** Simply stated, a child must play in his/her age bracket. The reason for this policy is to make sure a child is not displaced from a team by a younger player and also to maintain a competitive balance throughout the whole organization.

**Travel Basketball:** "A" teams are selected by competitive tryouts; check the back of this newsletter for specific dates, times, and locations of your child's tryout. Please note that children (both boys and girls) ages 11 and up must play travel.

**"B" Level Teams:** As numbers dictate, we will place "B" teams in the NEPL for children 9 and up. In order to properly assess the amount of teams we will have in each age group, all children must attend the "A" team tryouts.

**Intramural Basketball** will begin the first week of January. We will have programs for boys and girls 5-10 years of age. Please sign your child up any Saturday in November or December. Coaches are always needed!

**Registration:** for basketball will be held on Saturdays in November and December from 10am-12noon in the clubhouse. All those not yet signed up with the club must register in order to play basketball.

**Baseball Coaches:** There will be a mandatory coaches meeting in early January, Rusty will contact all coaches with the exact date and time as it gets closer.
